A Different Holiday Season This 2020 But Optimism Approaches

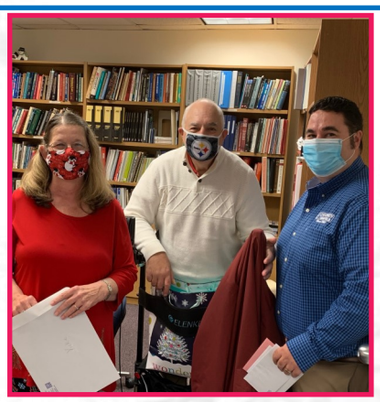
First, Happy Holidays to everyone as Christmas is here. This has truly been a unique and challenging year. I hope and pray that you and your loved ones have stayed safe during this pandemic. Security America truly appreciates each and every one of you. We know 2021 will be a great year and optimism arises as a COVID-19 vaccine is being distributed.

This will be a different Holiday season. Security America has conducted our Awards Ceremony virtually to follow CDC guidelines on group gatherings as we look out for the safety of our employees. I'm sure you will be taking pre-cautions in your daily lives with less travel and smaller gatherings with more of just immediate family.

These precautions and following CDC guidelines will be for the greater good to protect our vulnerable people during the pandemic. Make sure to take the medical professionals' recommendation of getting a flu vaccine and definitely the COVID-19 vaccine as that opportunity approaches.

Look over the mountains and into the future with OPTIMISIM!! I know everyone is tired of this pandemic and following guidelines but don't give up now. Hope is in the future of a return to normalcy. We will get through this together with the support of one another and your local communities.

HAPPY HOLIDAYS!!!



Let's all wish Vickie Acker a Happy Retirement Day! We will certainly miss you. Thank you for your 30 years of dedication and expertise to Security America.

Security America collected donations for our wonderful Ronald McDonald House Charities of Southern West Virginia this year. Crystal Bolen and children delivered the contributions
