Employee Awards Banquet

Security America will end the year celebrating our **43rd** year of business with our Annual Employee Awards Banquet and **4th** Quarter Supervisor Meeting in Charleston.

We recognize and support all of our employees out there in the field and on our staff. We wish all employees could attend but know that some employees have to work to keep up with our contractual obligations to our clients.

Security America gives out a number of awards with different levels including **Supervisor of the Year, Employee of the Year, Safety Award, and Special Recognition Awards**. These awards are named after former long term employees including **Vickie Acker, Charles Ball, and Richard Haynes**. Award recipients receive things like a cash bonus, special jacket, certificate, and inscription on a plaque in our corporate office.

Be sure to make nominations by checking out Regulation 1002 in our Security Officer Manual. Also, Security America will be increasing all **CASH AWARDS** by \$20 this year!
