Staff Announcements

Security America would like to announce the permanent hiring of Tammy Gordon as our Operations Assistant at our corporate office in Charleston. Tammy had been filling this position for us temporarily for the last 9 months.

She replaces long-term staff member, Teresa Jarrell, who is on leave from the company. Tammy has many years of personnel experience with over 20 years as the General Manager for Burger King in this area. We are excited to have her expertise on our staff full-time and assist us in hiring and training qualified security officers.

On a sad note, Security America would like to inform everyone who hasn’t heard of the passing of our long-time staff member in David Gifford. David worked with our Operations Department almost 15 years. We will miss his spirit and loyalty to our company. Please keep in your prayers Cristina, Tyler, and his other family and friends during these challenging times.
