Security America's Mission Statement

Our Vision

Security America provides the Best Protection for the Best Value, therefore enabling our customers to focus on their core business.

Our Mission

Providing our customers with peace of mind by offering the Best Protection for the Best Value; Furnish our employees with an environment in which they can grow and succeed; and Deliver our shareholders a gainful return on their investment by being the market leader.

Above is Security America's Mission Statement that you have heard at our meetings. A Mission Statement is a formal summary of the aims and values of a company.

Our Vision is about providing the best security service we can provide at an affordable cost to our clients. We do all of this with our practices in hiring, training, and supervision to find quality employees like yourselves. Our clients trust us to handle their security, so they can focus on what they specialize in their line of business.

Our goal for our company is to get better each day. Learning something new each day is what we strive for by keeping up with the latest security topics and trainings. We want our employees to be put in good situations for proper trainings and supervision to do the job they are there to do.

Our managers always have an open ear to new suggestions to better us as a company.

Security America has been a market leader in security for 39 years. We are forever grateful for our employees, clients, vendors, board members, and communities that have made this happen.

Keep Up the Great Work!

HIRING INCENTIVE

ANYONE may refer prospective officers to Security America and receive a "hiring incentive" of **\$150.00 for full time** and **\$100.00 part time** referrals.

The new officer must stay with SAI for a minimum of 60 days full time and 90 days part time.

ALL EMPLOYEES:

Security America will be offering life and supplemental insurance through **Colonial Life** beginning August 1, 2021. this will be offered through bi-weekly payroll deductions for full and part time employees. BURNS

- Keep children and pets away from outdoor grills and at a safe distance from campfires and fire pits. Watch them carefully.
- Set up the grill, fire pit or campfire in an open area away from walls, fences and other structures.
- Use an insect repellent that contains citronella or DEET. Repellents with up to 30 percent DEET provide the longest protection, up to five hours.
- Change clothes and wash off repellent when you come inside.
- Choose a product approved by the Environmental Protection Agency.

SUN

- Use sunscreen of at least 15 SPF (30 SPF for better protection), whether dark- or light-skinned, even on cloudy days.
- Apply sunscreen every 2 hours, more frequently when swimming or sweating.
- Keep babies out of direct sun as much as possible. Sunscreen is safe to use after age 6 months; protect younger babies with hats and light clothing.
- On hot days, take a break every 20 to 30 minutes to drink water or an electrolyte sports drink.
- Watch for heat exhaustion: dizziness, nausea, fatigue, headache, confusion and dark-colored urine. Get out of the sun and cool off.
