Corporate Shoe Program

Security America has signed up for a Shoe Discount Program with Skechers as a benefit to all of our employees.

Skechers is offering Security America employees 30% off if you purchase shoes or boots online or at one of their 500+ retail locations. This discount is offered once a quarter per employee. There will also be quarterly friends and family days discount days as well.

Skechers is offering us to purchase more shoes and boots than what is allowed to be worn at work but can still be purchased for your personal use. Make sure to follow our uniform policy to only wearing black dress shoes or boots at work. Appearance is big part of working as a security officer.

Ask your supervisor any questions. Please check out this great offer with the Flyer on how to get this discount on E-hub or at your work location to get this great benefit.

Tribute Message to Bruce Gerrity from Bill Signorelli, Chairman

Col. Bruce Gerrity, USAF (Retired), CPP- 1946-2023

It is with great sadness that we announce the passing of longtime consultant, Bruce Gerrity. He had a

wonderful career and life. Colonel Gerrity served his country in the Air Force for 26 years which included over 100 flight missions in Vietnam, Panama, and Desert Storm. He flew Air Force One for both President Carter and President Reagan. Col. Gerrity also worked for the Office of the Secretary of Defense as the Director where he was responsible for major anti- and counter-terrorism program initiatives in 77 countries.

I first befriended Bruce on a cruise and brought his security expertise to Security America as a consultant. Bruce and I worked on many consulting projects assisting our clients. Bruce's knowledge and brilliance brought value to every project he worked on. Our heart and prayers go out to Bruce's family and loved ones from all of us in the Security America family. He was a true professional to the security industry and a patriot to our country.
